MEMORANDUM FOR THE RECORD

SUBJECT: Basic Project Policy Papers

25X1

1. [redacted] has indicated that he would like to acquire copies of certain basic Project documents; i.e. USAF-CIA support agreement, etc., for retention in Detachment A files overseas. He envisions situations arising where it would be expedient to have these papers for reference both as to date and content. He has indicated to me that he will identify these documents that he wishes and I believe that at that time we should discuss the matter with [redacted] of Security, as well as with [redacted]
